I understand that Habitat for Humanity International limits the activities that can be performed by certain age groups. I certify that I am:

- 18+ years old. I am permitted to operate all power tools and work above 6' on a ladder or scaffolding. I am limited only to work that is deemed safe by myself and an HFHGC representative.
- 16-17 years old. I am not permitted to operate power tools, however, may be on site while they are being used. I am not permitted to work above 6' on a ladder or scaffolding. There is at least one (1) adult on site for every four (4) volunteers in my age bracket. I have completed the minor liability waiver on back.
- 14-15 years old. I am not permitted to on a jobsite when power tools are being used, therefore am participating in a volunteer day specifically scheduled for my age range. There is at least one (1) adult on site for every one (1) volunteer in my age bracket. I have completed the minor liability waiver on back.

- I already receive HFHGC mailings and look forward to this project's Dedication Announcement.
